

## Statement of Fact by Owner Desiring To Air Condition or Heat His Own Home

The Undersigned States and affirms that he is desirous of Air Conditioning and Heating his own home and that he shall comply with all the Mechanical requirements of the Florida Building Code Mechanical Volume.

- 1) That the owner and he alone shall do the air conditioning in his home.
- 2) That the owner shall comply with all the Mechanical requirements of the Florida Building Code Mechanical Volume.
- 3) That when an Inspector shall require correction to be made, the owner shall make the corrections required and upon completion shall call for re-inspection before proceeding with the Air Conditioning and Heating.
- 4) That the owner shall assume the responsibility of familiarizing himself with the requirements of the FBC Mechanical Volume, and that the owner shall not expect supervision of his work from the County Inspection Authority.

---

The undersigned further agrees that he shall, should he be unable to comply with these requirements hire a licensed Mechanical contractor registered in Highlands County to take over and complete the job in strict compliance with the Florida Building Code Mechanical Volume.
