**LARGE SCALE PLAN AMENDMENTS**

The Community Planning Act of 2011, eliminated the twice per year plan amendment limitation. Applicants are now able to submit Comprehensive Plan Amendments any time for review and consideration. (Applications must be complete upon submittal. *Incomplete applications will not be accepted.*)

Every Large Scale Plan Amendment (LSPA) Application requires the submission of a traffic study APPROVED by the Highlands County Engineering Department. *No deadline extensions.*

If an approved traffic study by the Highlands County Engineering Department is not submitted in the LSPA Application, it will be considered incomplete and not accepted.

*All required material must be included in the LSPA Application submission or it will be deemed incomplete and not accepted.*
