GENERAL DESCRIPTION:

A paraprofessional position responsible for rendering pre-hospital life support functions, other emergency care and rescue services.

ESSENTIAL JOB FUNCTIONS:

The following statements describe the principle functions of the job and its scope of responsibility but should not be considered an all-inclusive list of work requirements. Individuals may perform other duties as assigned.

- Processes Basic Life Support care (in compliance with Chapter 401, Florida Statutes and Chapter 10D-66, Florida Administrative Code) according to the established Count EMS Procedures Manual and applicable protocols and standing orders, to person in need of medical attention.
- Administers pre-hospital emergency rescue and medical services allowed within the scope of training. Assists the Paramedic partner in providing ALS care as assigned. Handles emergency and non-emergency patient transfers as assigned, including both in-county and out-of-county.
- Completes necessary written reports, including patient reports, patient bills, and daily team unit reports in a timely, accurate fashion.
- Cleans and maintains ambulance and equipment on a daily basis, including maintaining required inventory of ambulance supplies, medical and life support equipment, and rescue equipment. Keeps assigned station clean.
- Maintains a professional and safe unit and work area adhering to established safety policies and the image desired for the organization.
- Follows consistently the Board policies and procedures.
- Responds productively to change and performs all other related tasks as directed.

KNOWLEDGE, SKILLS AND ABILITIES:

- Knowledge of Cardiopulmonary Resuscitation, and the use of other Basic Life Support life sustaining practices and equipment.
- Knowledge of safety and comfort measure and methods in the handling and treatment of patients.
- Knowledge and skill in defensive driving methods.
- Ability to become familiar with the roadway/highway systems within Highlands County.
- Knowledge of Florida safety requirements and privileges when responding to non-emergency and emergency

situations.

- Knowledge of Florida traffic and driving regulations.
- Ability to communicate effectively both orally and in writing.
- Ability to make sound judgements.
- Ability to work as part of a team.
- Ability to adhere to physician instructions, protocols and standing orders.
- Ability and skill to perform minor maintenance on an ambulance.
- Must have legible handwriting.
- Ability to maintain effective working relationships with co-workers, managers, supervisors, directors, elected officials, vendors, and the general public.

PHYSICAL SKILLS:

This work requires the regular exertion of up to 10 pounds of force and frequent exertion of over 100 pounds of force: work regularly requires speaking or hearing, frequently requires standing, sitting, using hands to fingers, handle or feel, lifting independently in excess of 125 pounds (or combines weight of 250 pounds) and repetitive motions and occasionally requires walking, climbing or balancing, stooping, kneeling, crouching or crawling, pushing, or pulling and lifting and occasionally requires tasting or smelling and repetitive motions; work requires close vision, distance vision, ability to adjust focus, depth perception, color perception, night vision and peripheral vision; vocal communication is required for expressing or exchanging ideas by means of the spoken word and conveying detailed important instructions to others accurately, loudly or quickly; hearing is required to perceive information at normal spoken word levels and to receive visual inspection involving small defects and/or small parts, using of measuring devices, assembly or fabrication of parts within arm's length, operating machines, operating motor vehicles or equipment and observing general surroundings and activities.
