- Conducts plan review for fire code compliance.
- Inspects construction sites as necessary to ensure compliance with the approved construction documents, and the Florida Fire Prevention Code.
- Issue notices of non-compliance as necessary.
- Checks permit applications for fire code compliance.
- Discusses any recommended modifications or changes with contractor and/or owner.
- Conducts origin and cause fire investigations.
- Issues notices of violations or non-compliance.
- Inspects storage of explosives, flammable materials, and other hazardous materials.
- Investigates complaints of fire safety hazards which are reported.
- Conducts re-inspections as directed.
- Participates in promoting fire prevention and safety education throughout the County.
- Responds to fires and other emergency conditions, to include on-the-scene fighting of fire.
- Maintains a professional and safe unit and work area adhering to established safety policies and the image desired for the organization.
- Follows consistently the Boards policies and procedures.
- Works productively with all personnel throughout the chain of command.
- Responds productively to change and performs all other tasks as directed.

KNOWLEDGE, SKILLS AND ABILITIES:

- Knowledge of fire safety laws, rules, and regulations, including the Florida Fire Prevention Code, fire prevention code.
- Knowledge of the principles and practices of fire safety and inspection techniques.
- Knowledge of the laws, rules, and regulations related to the storage and handling of hazardous materials.
- Knowledge of firefighting techniques, fire ground safety, and emergency medical treatment.
- Ability to read plans and/or blueprints to ensure fire safety compliance in new structures.
- Ability to recognize and define fire safety hazards and to recommend effective remedial measures in existing structures.
- Ability to perform prolonged and arduous work under adverse conditions,
- Ability to work at heights.
- Ability to express oneself clearly and concisely, orally and in writing.
- Ability to understand and carry out oral and written instructions.
- Ability to maintain effective working relationships with co-workers, managers, supervisors, directors, elected officials, vendors, and the general public.

PHYSICAL SKILLS:

This work requires the occasional exertion of over 100 pounds of force; work regularly requires speaking or hearing, frequently requires sitting and repetitive motions and occasionally requires standing, walking, using hands to finger, handle or feel, climbing or balancing, stooping, kneeling, crouching or crawling, reaching with hands and arms, pushing or pulling and lifting; work requires close vision, distance vision, ability to adjust focus, depth perception, color perception, night vision and peripheral vision; vocal communication is required for expressing or exchanging ideas by means of the spoken word and conveying detailed or important instructions to others accurately, loudly or quickly; hearing is required to perceive information at normal spoken word levels and to receive detailed information through oral communications and/or to make fine distinctions in sound; work requires preparing and analyzing written or computer data, visual inspection involving small defects and/or small parts, using of measuring devices, operating machines, operating motor vehicles or equipment and observing general surroundings and activities; ability to lift and carry up to 50 lbs., must meet physical and medical requirements for firefighter and hazardous material per N.F.P.A. Standards.
